Dr. Brent Ellis

Since 1873, Spring Arbor University has helped students pursue wisdom by offering an education grounded in the Christian faith. What began as a small elementary and secondary school in the late 1800s has evolved into a premier private Christian university that offers engaging online programs designed to meet the unique needs of busy, working adults. While we’re not the only university to offer online degree programs, our distinction lies in our total commitment to providing educational excellence within a Christ-honoring and supportive online community.

- Since 2000, Spring Arbor University’s overall enrollment has grown by 40 percent.
- Spring Arbor University is a community of learners distinguished by our lifelong involvement in the study and application of the liberal arts, total commitment to Jesus Christ as the perspective for learning, and critical participation in the contemporary world.
- U.S. News & World Report named Spring Arbor University in the top tier of the “Midwestern Regional Universities” category of colleges and universities in 2010 and 2011.
- Spring Arbor University alum Rick Herter, ‘84, made the Guinness World Records for the world's largest indoor mural with the completion of the 28,000-square-foot mural depicting influential moments in the evolution of flight that adorns the walls of the Air Zoo in Kalamazoo, Michigan.

“What a blessing it is to be an SAU graduate student. Not only am I investing in my future and in the development of my career, but I am surrounded by a community of mentors and scholars who are also committed to integrating Christ’s love into today’s business world.”
